ROOM SIGNAGE

SIGNAGE & CUSTOM CONTROL PANELS

For a truly unique impression Elecon can supply custom designed entrance door signage and other special control panels, these panels can be matched to the in-room switch control panels. The signage panels can include a touch button for Bell and indicator symbols for Make-Up-Room and Do-Not-Disturb.

These custom control panels can be provided in glass or metal with different colours and finishes.

For the highest level in control panel customisation Elecon can also provide laser cut and laser etched metal control panels. Each button is touch sensitive with added backlighting.

These cost effective custom control panels provide a unique and unforgettable guest experience.
